Re: Petition For Finding Of Information To
Be Kept Confidential; Case No. 2006-167

Dear Ms. O'Donnell:

Today, I filed a Petition For Finding Of Information To Be Kept Confidential, which followed the filing of an Application by my client, Blue Grass Energy Corporative Cooperation, in this case.

After filing of the Petition, I talked with J. Robert Cowan of the Office of the General Counsel. He suggested that I write this letter.

This is to respectfully request that, should the Commission find that the material indicated in the Petition should be held confidential, that the page, which was a part of the original Application and Petition, and which is enclosed with this letter, be substituted in the filings for the original page, which did not have the material obstructed.

Thank you very much for your consideration, and should you or Mr. Cowan have any question, please contact me.

Very Truly Yours,

Ralph K. Combs
