RE: Wholesale Water Rate Increase

Dear Ms. O' Donnell:

*Case No. 2006-00187*

The recent tariff sheet with the rate increase I sent you was \$1.82 per 1,000 Gallons to be charged to the Garrard County Water Association, the actual rate will be \$1.78 per 1,000 Gallons. The extra 4 cents shown on the tariff is a Kentucky River Withdrawal Fee, this included makes the total \$1.82 per 1,000 gallons. I have enclosed a copy of our Kentucky River use fees.

Sincerely,

Millard Rose  
Utility Manager.
