ORDER

On May 3, 2006, Edgar Alan Pearson filed with the Commission a formal complaint against Garrard County Water Association, Inc. ("Garrard County") requesting that the Commission compel Garrard County to set a water meter to serve his newly built home located off of White Lick Road. By Order dated May 9, 2006, the Commission directed Garrard County to satisfy or answer the complaint. On May 15, 2006, Garrard County filed its answer with the Commission. At an informal conference held at the Commission's offices on July 11, 2006, the parties reached an agreement to settle the complaint.

The Commission finds that, prior to the dismissal of the complaint, Complainant should be afforded the opportunity to inform the Commission if his complaint has not, in fact, been satisfied. If no response is received, the Commission will find that the complaint should be dismissed as satisfied.

IT IS THEREFORE ORDERED that:

1. Within 10 days of the date of this Order, the Complainant shall notify the Commission in writing whether or not Garrard County has satisfied the complaint.
2. If no response is received from the Complainant within 10 days from the date of this Order, the complaint shall be considered satisfied and this case shall be closed and removed from the Commission's docket.
