PUBLIC SERVICE  
COMMISSION

MOTION FOR EXTENSION OF TIME

Comes the Applicant, Hardin County Water District No. 1, and requests the Commission grant an extension of time in which to respond to the Commission Staff's Second Set of Interrogatories and Request for Production of Documents propounded to Hardin County Water District No. 1 in the above referenced case. In support of this Motion, Hardin County Water District No. 1 notes that the second request is, like the first request, very extensive. Moreover, the Hardin County Water District No. 1 states that it is in the midst of a rate case filed with the Commission on or about November 2, 2006. Hardin County Water District No. 1 states that it needs to focus the majority of its time on the rate case and, therefore, requests that it be granted an extension of time to respond to the Second Set of Interrogatories and Request for Production of Documents.

Specifically, the District requests it be granted until January 31, 2007 in which to respond to the Second Set of Interrogatories and Request for Production of Documents
