Re: Case No. 2006-00227  
Logan Telephone Cooperative, Inc. (Arbitration)  
ComScape Communications, Inc. (respondent)

Dear Ms. O'Donnell:

Regarding the above referenced Case No. 2006-00227, ComScape Telecommunications, Inc. ("ComScape") respectfully submits the following:

Although, ComScape has a PCS spectrum license and a certification to provide telecommunications services in the Commonwealth of Kentucky, currently we are not active in our Kentucky markets. Hence, we request not to be a party to any arbitration leading to an Interconnection Agreement with Logan Telephone Cooperative, Inc. at this time. Based on our future plans, we understand that we will need to enter into such an agreement before we market our services.

Based on the above we respectfully request to cancel any arbitration or other actions that might be contemplated with ComScape at this time.

Thank you.

Sincerely,

  
Bhogin M. Modi  
Vice President
