**PETITION TO MAINTAIN DOCUMENTS AS CONFIDENTIAL**

Comes the petitioners, Red Barn Waste Management, LLC, and Jeffrey C. Ruttenburg, by counsel, hereby Petitions the Public Service Commission of the Commonwealth of Kentucky (the "Commission"), pursuant to 807 KAR 5:001, §7, to treat the financial statements of Jeffrey C. Ruttenburg attached as hereto confidential in accordance with the Commission's regulations.

The Petitioner is filing these Financial Statements with the Commission in response to the Commission Staff's First Data Request to Chimney Rock Waste Management, LLC and Red Barn Waste Management, LLC to demonstrate the financial integrity of Mr. Jeffrey C. Ruttenburg. The Kentucky Open Records Act exempts certain personal information from the public disclosure requirements of the Act. See KRS 61.878. To qualify for this personal information exemption and, therefore, keep the information confidential, a party must establish that disclosure of the information would constitute a clearly unwarranted invasion of privacy.

The financial documents for which confidentiality is sought herein reflects the personal financial position of Mr. Ruttenberg which would not otherwise be obtainable by the public except for the request of this commission. Public disclosure of these documents would clearly constitute an unwarranted invasion of the personal privacy of Mr. Ruttenberg.

As further grounds for this Petition, Petitioner states as follows:

1. The financial information attached and which the Petitioner is requesting confidential treatment is not known outside the Petitioners' personal sphere of business associates;

2. The information is not disseminated within the Petitioners' business and is known only by those employees or professional advisors who have a legitimate business need to know the information;

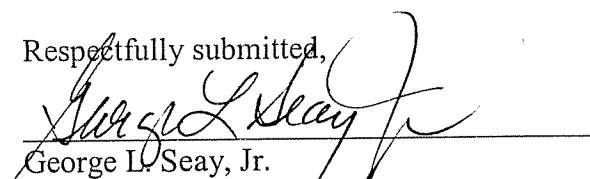

3. The disclosure of this information would cause personal injury to the Petitioner since it would provide any individual or entity with information pertaining to the individual financial condition of the Petitioner not otherwise obtainable.

4. By granting this Petition there will be no damage to any public interest.

5. The Commission has previously granted an identical request for confidentiality in Case No. 2006-00051.

For the foregoing reasons the Petitioner asks that its Petition to maintain the attached records as confidential be granted.

Respectfully submitted,

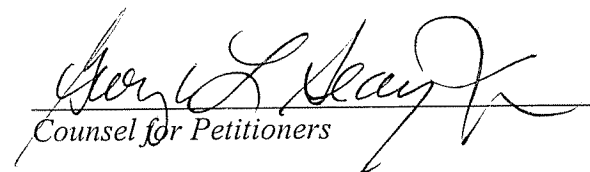

George L. Seay, Jr.
