RE: Case No. 2006-00284

Dear Mr. Burford:

Please be advised that this Firm represents Red Barn Waste Management, LLC. As you are aware, the Final Order in the above referenced case contained specific requirements directed to either Red Barn or Chimney Rock Waste Management, LLC to be performed within the time limits set forth in that Order.

Paragraph 7 of that Order, appearing on page 8 is specifically directed to Chimney Rock Waste Management. That paragraph is quoted in your letter. That is one of two paragraphs which directed Chimney Rock Waste Management to perform certain functions within specified times and/or in a specified manner.

It is our understanding that Red Barn has performed all of those functions which were required of it by the Order. We will be glad to refer your letter to Chimney Rock for its compliance and will be glad to assist in any way we can. If I may be of any further assistance in this matter, please do not hesitate to contact me.

Sincerely,

George L. Seay, Jr.
