Dear Representative Fischer:

I am writing in response to your February 14 letter regarding the Kentucky Public Service Commission's Case No. 2006-00315, regarding the financing of a water main extension project by the Northern Kentucky Water District.

The Commission has granted reconsideration of its initial ruling in this case. Because it is now once more before the Commission for a decision, I cannot discuss any substantive issues pertaining to this case. However, please feel free to contact me if you have any questions regarding procedural matters.

Your letter will be placed into the case file. Thank you for your interest.

Sincerely yours,

Beth O'Donnell
Executive Director
