**Re: Case No. 2006-00350 -- Donna and Kenneth Hopper
v. AT&T Communications of the South Central States**

Dear Ms. O'Donnell:

We are local counsel to AT&T Communications of the South Central States, LLC ("AT&T"). This complaint involves long distance charges properly billed under AT&T's effective Kentucky tariff. The customer used AT&T's long distance network to reach a Paducah dial-up Internet access number associated with an Internet Service Provider, AT&T Worldnet.

The choice of a dial-up access number for Internet access is within the customer's control, not AT&T's. Accordingly, the long distance charges were correctly billed by AT&T. However, in the interest of customer satisfaction AT&T has issued a goodwill credit in the amount of \$191.74 to the long distance service account for Mr. Kenneth Hopper. AT&T therefore requests that this complaint be dismissed as moot.

Please stamp and return the extra copy of this filing.

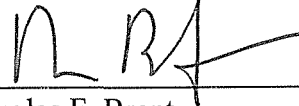

Very truly yours,

STOLL KEENON OGDEN PLLC
