RE: Boone County, Kentucky – PSC 2006-00363

Dear Ms. O'Donnell:

This letter is to reference two items needed to be addressed according to PSC Case No. 2006-00363, as follows:

- Boone County would like to request approval to extend Big Bone Church Road project. Installation of an additional 2960 linear feet of 8 inch water main that would serve approximately 15 households for the construction cost of \$101,760. This would still fall within our borrowed money limits. The Division of Water approval letter is attached.
- Boone County would like to request approval to add one road to our project. Installation of water lines on Snow Road would consist of 1890 linear feet 8 inch water main that would serve approximately 8 households for the construction cost of \$71,817. This would still fall within our borrowed money limits. The Division of Water approval letter is attached.

Thank you in advance for your assistance. Please feel free to contact me at 859-334-3653 with any questions or concerns.

Sincerely,

Handwritten signature of Lisa H. Buerkley in black ink.

Lisa H. Buerkley
County Treasurer
