COMMISSION

In the Matter of:

Joint Application of Kentucky Power )  
Company and Kentucky Association )  
For Community Action, Inc. for the ) Case No. 2006-00373  
Establishment of a Home Energy )  
Assistance Program )

**Suggestion of Submission of Application To Commission  
For Decision**

Kentucky Power Company suggest that the Joint Application of Kentucky Power Company and Kentucky Association for Community Action, Inc. stands ready for submission to the Commission for decision and in support thereof states:

1. By its Order dated September 21, 2006 the Commission directed the Parties to file written requests for additional discovery or for a hearing in this matter. Absent such a request, the matter was to stand submitted for decision.
2. The Attorney on General October 5, 2006 filed a request for additional discovery but did not request a hearing.
3. By Order dated October 10, 2006 the Commission established a Procedural Schedule. The Schedule provided for discovery and opportunity to file comments on the Joint Application. The Order did not provide for a hearing or that matter would stand submitted for decision following the expiration of the period for filing comments.
4. The Attorney General filed his data requests on October 19, 2006 and Kentucky Power filed its Responses on November 1, 2006. None of the party filed comments on the application.

5. The procedural schedule expired on November 13, 2006. There not being a hearing scheduled, Kentucky Power suggests the matter stands ready for submission for decision by the Commission.

6. Because the program is intended to begin providing benefits for the 2006-2007 winter heating season (December, 2006; January, 2007; February, 2007 and March, 2007 revenue months) and in light of the time necessary to advertise the program, receive and process applications, it is important this matter be submitted for Commission decision at the earliest appropriate time.
