## COMMONWEALTH OF KENTUCKY

## BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

## ORDER TO SATISFY OR ANSWER

Black Mountain Water District ("Black Mountain") is hereby notified that it has been named as defendant in a formal complaint filed on August 17, 2006, a copy of which is attached hereto.

Pursuant to 807 KAR 5:001, Section 12, Black Mountain is HEREBY ORDERED to satisfy the matters complained of or file a written answer to the complaint within 10 days from the date of service of this Order.

Should documents of any kind be filed with the Commission in the course of this proceeding, the documents shall also be served on all parties of record.

Done at Frankfort, Kentucky, this 29th day of August, 2006.

By the Commission

## COMMONWEALTH OF KENTUCKY

## BEFORE THE PUBLIC SERVICE COMMISSION

In the matter of:

The complaint of Timothy Joe and Sheila Bowman _ respectfully shows:
(a) Timothy Joe and Sheila Bowman (Your Full Name) 6855 N US Hwy 119, Putney, KY 40865
(Your Address)
(b) $\frac{\text { Black Mountain Water District }}{\text { (Name of Utility) }}$
$\frac{609 \text { Four Mile Rd, Baxter, KY } 40806}{\text { (Address of Utitity) }}$
(c) That: $\frac{\text { the Black Mountain Water District has deliberately }}{\text { (Describe here, attaching additional sheets if necessary, }}$
delayed the hook up availability of water to our residence. the specific act, fully and clearly, or facts that are the reason

We signed up and paid the deposit for water hook up at the and basis for the complaint.)
initial sign up in the Putney area which was approximately

5years ago. After the water project began and was well

Formal Complaint
Timothy Joe and Sheila Bowman VS. Black Mountain Water District

## Page 2 of 2

under way in the Putney area, we started inquiring as to when we
would get water hook up. About 2 years ago, we attended a monthly
meeting at the Black Mountain Water District and talked with them
about why we had not received water hook. up. After looking at
their maps they said that we were not showing up on their maps. $\qquad$
They assured us that they would check into this matter. (See attached pages)

Wherefore, complainant asks for immediate water hook up and compensation (Specifically state the relief desired.)
for the delay in providing us water hook up while making it available
to places that had not signed in initially During this time we
did not have access to a clean source of water. We feel that we have
been exposed to unsafe chemicals from the landfill that might harm us.

of _August .1886. (Month)

(Name and address of attorney, if any)

# Timothy Joe and Sheila Bowman vs Black Mountain Water District 

## Formal Complaint (Continued)

We explained that we would really like to have hookup to the water because I had been diagnosed with breast cancer and we had concerns regarding the landfill $1 / 4$ mile above our house. We had our well water tested by the state and there were traces of two pesticides (dieldrin and MCPA) in our water (see enclosed report). Dieldrin is labeled as a probable carcinogen with a possible link to breast cancer in some studies and we're not sure about MCPA based on the research we've done. We attended another meeting at the Black Mountain Water District and they sent Earl out to look and see what they would have to do to get water to us. They informed us that as soon as permits and funding were available, they were planning on installing 3 bore holes. One of these bore holes was to be done for the Turners, one for us and one at Buddies Discount. They said it would take approximately $30-60$ days for this to be done. We still didn't get water. We then talked with Judge Joe Grieshop about the possible connection of pesticides in our well water and the landfill above our house and that we would really like to have water hookup. In January 2006, the first bore hole was drilled for the C V Bennett property (a supporter of County Judge Joe Grieshop) at Buddies Discount. Then in March, 2006 a bore hole was drilled at the Turners (Johnny Turner is a property owner there and he ran for judicial office this year in Harlan County). This bore hole is about $4 / 10$ mile south of our house. Instead of us getting the third bore hole as we were promised, the next bore hole was drilled for the Black Mountain ATV Park. According to a local newspaper, Judge Joe Grieshop is president of the Kentucky Mountain Trails Development Coalition. This park didn't exist at the time we paid our hookup fee for the water. This third bore hole is about $4 / 10$ north of our house.

It appears as though "political buddies and interest" are preferred over honest, hardworking taxpayers when it comes to clean water and health concerns in Harlan County. We feel that these issues have led us to be intentionally left out of receiving water hook up. We, also, feel that during the time we have been without clean water we may have been exposed to toxic substance from the county landfill. We just want to be treated fairly and we ask your help in seeing that this is done. We have tried every diplomatic way that we know of. Thank you.

CONSTITUENTS
Acetone
Methyl iodide
Carbon disulfide
Allyl chloride
(Methylene chioride)
trans-1,2-Dichloroethene
Methyl-tert-butyl ether (MTBE)
1,1-Dichloroethane
Vinyl acetate
2,2-Dichloropropane
cis-1,2-Dichloroethene
2-Butanone (MEK)
Propionitrile
Kethyl acrylate
ethacrylonitrile

Chloroform
1,1,1-Trichloroethane
-Chlorobutane
Carbon tetrachloride
1,1-Dichloropropene
Benzene
1,2-Dichloroethane
1,2-Dichloropropane
Dibromomethane
Methyl methacrylate
Bromodichloromethane
2-Nitropropane
Chloroacetonitrile
cis-1,3-Dichloropropene
-Methyl-2-pentanone (MIBK)
trans-1,3-Dichloropropene
Ethyl methacrylate
1,1,2-Trichloroethane
Tetrachloroethene
2-Hexanone (Methyl butyl ketone)
Dibromochloromethane
1,2-Dibromoethane (EDB)
1,3-Dichloropropane
1,1,1,2-Tetrachloroethane
1-Chlorohexane
Ethylbenzene
1,3-Xylene \& 1,4-Xylene
1,2-Xylene

Bromoform
Isopropylbenzene (Cumene)
