O R D E R

On January 25, 2007, Xspedius Communications ("Xspedius") filed with the Commission a motion for a 3-week extension of time with respect to procedural deadlines contained in the Commission's procedural Order entered on January 17, 2007. Wispnet, LLC ("Wispnet") agrees to the extension. As grounds for the extension, Xspedius asserts that the additional time will allow the parties further opportunity to negotiate settlement of this case and, thus, obviate the expenditure of further resources.

The Commission, finding good cause to grant the motion for an extension of time, HEREBY ORDERS that:

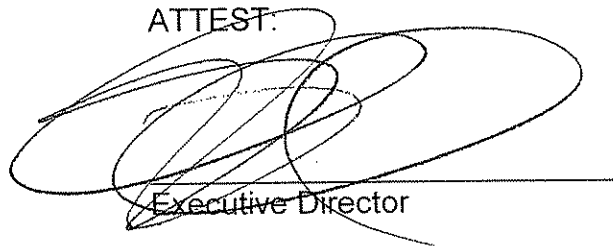

1. On or before February 20, 2007, Wispnet shall file its counterclaim.
2. On or before February 20, 2007, the parties may file their data requests with the Commission and serve a copy on all parties of record.
3. On or before March 6, 2007, the parties shall respond to all data requests.

4. On or before March 20, 2007, the parties shall notify the Commission if they request a formal hearing. If no hearing is requested by this date, the matter shall stand submitted to the Commission for a decision based on the existing record.

Done at Frankfort, Kentucky, this 30th day of January, 2007.

By the Commission
