Re: Case No. 2006-00440

Dear Mr. Burford:

In response to your correspondence dated February 14, 2007, the reason the Amended Tariff was not submitted to your office earlier was due to the cancellation of the Bullock Pen Water District regular meeting as a result of inclement weather. Due to that cancellation, we had to delay our regular meeting 2 ½ weeks. I had Chairman Burgess sign the Amended Tariff on February 15, 2007. The Amended Tariff was placed in the mail to the PSC on February 16, 2007.

Please accept my apologies in the delay in getting those documents to you. If you have any additional questions or need any further attention in this regard, please advise.

Very truly yours,

BERGER, COX & NIENABER
