In the Matter of:

KENTUCKY RURAL WATER ASSOCIATION'S)
APPLICATION FOR ACCREDITATION AND) CASE NO. 2006-00451
APPROVAL OF A COURSE OF TRAINING FOR)
WATER DISTRICT COMMISSIONERS)

O R D E R

The Kentucky Rural Water Association ("KRWA") has applied for accreditation of three regional meetings held during the month of October 2006, at the Whitesville Community Center, the Ponderosa Steak House in Morehead, Kentucky, and the Ponderosa Steak House in Draffenville, Kentucky.

Pursuant to KRS 74.020(7), this Commission is required to "encourage and promote the offering of high quality water district management training programs that enhance a water district commissioner's understanding of his or her duties." The conference for which approval is sought includes instruction regarding, inter alia, principles of leak detection; leak detection programs; and operation and maintenance of pumps, motors, and controls. Having reviewed the KRWA's application describing the proposed courses, the Commission finds that the proposed courses will enhance a water district commissioner's understanding of his or her duties and should be approved for 2.0 credit hours for commissioner and board member training.

IT IS THEREFORE ORDERED that:

1. KRWA's proposed courses of instruction are hereby approved for a maximum of 2.0 credit hours.

2. KRWA shall retain a record of all persons attending the approved courses of instruction.

3. Within 14 days of the date of this Order, KRWA shall file with the Commission a sworn statement attesting that the approved courses of instruction were performed and, if any changes in the speakers or course curriculum occurred after KRWA's application, a description of those changes.

Done at Frankfort, Kentucky, this 20th day of November, 2006.
