

2006-464

Ms. O'Donnell:

This is in reference to Atmos request
for a rate increase.

For us Senior citizens living on a fixed
income, cannot pay for another increase
(heating, gas.

My insurance has gone up & is not
paying as much on prescription drugs &
I may have to discontinue some of my
medication.

I encourage you to deny Atmos request
for a rate hike.

Thanks

Margaret Gilland Gilland
