

2006-464

Dear Commissioner

I am an 84 yr. old woman
that drives less than \$50⁰⁰ a
month. They have already
doubled my bill in the
last two years.

Please do not let them
raise it more. I
don't know what I will have
to give up to pay the
bill.

Please make a good
choice for people on a
fixed income.

Thank you
