CASE NO. 2006-00466

**MOTION FOR EXTENSION OF TIME
TO RESPOND TO DATA REQUESTS**

* * * * *

Comes Nolin Rural Electric Cooperative Corporation, by counsel, and moves the Commission for a ten (10) day extension of time in which to respond to the Third Data Request of the Commission Staff and the Attorney General's Supplemental Request. These two Requests contain over 80 matters which require further research and will be quite time consuming. Nolin's staff has been extremely busy this past week preparing for and conducting its annual meeting for its members where several thousand people attended. Just prior to the annual meeting, Nolin's officer in charge

of the rate case, O.V. Sparks, had been out of town on business, and Mr. Jim Adkins, Nolin's consultant on this rate case, has been engaged in regulatory matters for some other cooperatives. Therefore, it is not possible to provide all of the information within the time allotted, and Nolin is requesting that it be granted an extension up to and including June 29, 2007 in which to respond to these Requests.

Respectfully submitted this 11th day of June, 2007.
