COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

GENERAL ADJUSTMENT OF ELECTRIC RATES)	CASE NO.
OF EAST KENTUCKY POWER)	2006-00472
COOPERATIVE, INC.)	

REHEARING DATA REQUEST OF COMMISSION STAFF
TO EAST KENTUCKY POWER COOPERATIVE, INC. AND
KENTUCKY INDUSTRIAL UTILITY CUSTOMERS, INC.

East Kentucky Power Cooperative, Inc. ("EKPC") and Kentucky Industrial Utility Customers, Inc. ("KIUC"), pursuant to 807 KAR 5:001, are to file with the Commission the original and 7 copies of the following information, with a copy to all parties of record. The information requested herein is due on or before April 24, 2008. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

EKPC and KIUC shall make timely amendment to any prior responses if either obtains information which indicates that the response was incorrect when made or,

though correct when made, is now incorrect in any material respect. For any request to which EKPC or KIUC fail or refuse to furnish all or part of the requested information, EKPC or KIUC shall provide a written explanation of the specific grounds for their failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

1. Refer to Item 3 of EKPC's Response to Commission Staff's Rehearing Request for Information dated March 4, 2008.

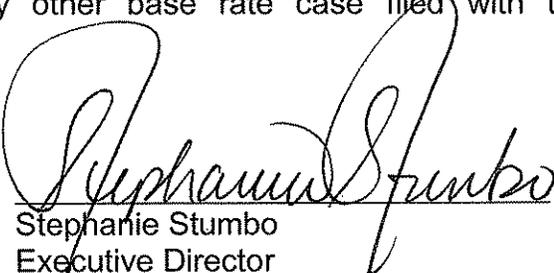

a. Explain why EKPC did not include the Fuel Adjustment Clause ("FAC") roll-in, effective August 1, 2007, in its analysis.

b. Provide the analysis with the FAC roll-in included.

2. Throughout his Supplemental Direct Testimony, Mr. Higgins states that EKPC's rate increase was driven by the need for EKPC to build equity. Generally, base rate cases reflect the need to raise revenues to cover operating expenses and the need to build equity. Other than the urgency present in EKPC's case, explain what made EKPC's base rate case different from any other base rate case filed with the Commission.
