Re: PSC Case No. 2006-00476

Dear Ms. O'Donnell:

Please find enclosed for filing with the Public Service Commission in the above-referenced case revised tariff sheet number 62. This sheet was inadvertently left out of the filing dated April 11, 2007. The change contained in this sheet relates specifically to an increase in the minimum bill for customers under this tariff. Very few, if any, consumers eligible for rate class A&B that receive a minimum bill would be affected by this change.

Please feel free to contact me or David Duvall at Clark Energy if you have any questions about this matter.

Very truly yours,

Robert L. Rose
Counsel for Clark Energy Cooperative, Inc.
