RE: 2005 and 2006 CLEC Annual Report

Michael Buford
211 Sower Blvd
Frankfurt, KY 40602

Dear Michael Buford:

2006-00492

RECEIVED

JAN 04 2007

PUBLIC SERVICE
COMMISSION

This letter and enclosures will serve as the response to the letter we received concerning our failure to file the 2005 Gross Revenue Report and Annual Report for BLC Management LLC.

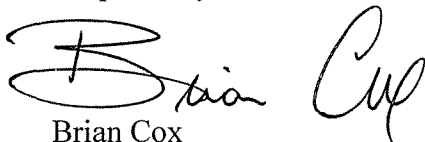

We respectfully request that any potential penalties for failure to file these reports by the date requested be waived for the following reasons. We were outsourcing the task of filing PSC reports and during the growth process of bringing these tasks back in house; there was a gross error on our part with the KY filing. We now have a full time employee, Ryan Wilson (whose complete contact information is below) who handles all filings and up to date correspondence with each PSC that we work with and answer to.

As an example of our commitment to file reports in a timely manner, we have also included our 2006 Annual Report and our Gross Earnings Report. If anyone at the commission should have any questions at all, please contact Ryan via any of the methods below. We would also like to request the opportunity to file electronically in the future.

Ryan Wilson, Operations Director

Thank you for your consideration and time. We look forward to providing quality telephone service to those on public assistance in Kentucky for many years to come.

Respectfully,

Brian Cox
