PUBLIC SERVICE
COMMISSION

MOTION FOR LEAVE TO FILE AN AMENDED ANSWER

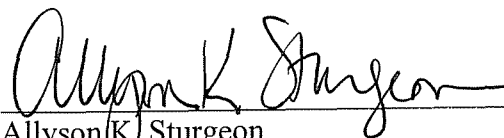

Pursuant to 807 KAR 5:001, Section 3(5), Kentucky Utilities Company (“KU”) hereby moves the Kentucky Public Service Commission (“Commission”) for leave to file an Amended Answer. In support of its Motion, KU states as follows:

In paragraph 3(c) of its original Answer, KU inadvertently stated that meter #C406361 was a single phase 30-amp meter, when in fact it was a single phase 50-amp meter. Further, KU incorrectly referenced the meter number of the third meter that was installed at this customer’s premises in April 2006 in paragraph 3(c) of its original Answer as meter #C406361. In fact, the meter installed in April, 2006, is meter #C435510. KU seeks to amend its Answer to correct these misstatements.

WHEREFORE, KU respectfully requests the Commission to enter an Order granting it leave to amend its Answer.

Dated: December 14, 2006

Respectfully submitted,
