The Kentucky Rural Water Association ("KRWA") has applied for accreditation of three regional meetings: the Green River Regional Meeting, held January 18, 2007 at the Ohio County Water District in Hartford, Kentucky; the Northeast Regional Meeting, held January 16, 2007 at the Ponderosa Steakhouse in Morehead, Kentucky; and the Western Regional Meeting, held January 25, 2007 at the Ponderosa Steakhouse in Draffenville, Kentucky.

Pursuant to KRS 74.020(7), this Commission is required to "encourage and promote the offering of high quality water district management training programs that enhance a water district commissioner's understanding of his or her responsibilities and duties." The meetings for which approval is sought include instruction regarding Cryptosporidium sampling, GPS/GIS and Stage 2/LT-2 laboratory issues. Having reviewed KRWA's application describing the courses, the Commission finds that the courses will enhance a water district commissioner's understanding of his or her responsibilities and duties and should be approved for 2.0 credit hours of water district management training per each meeting.

IT IS THEREFORE ORDERED that:

1. KRWA's courses of instruction are hereby approved for a maximum of 2.0 credit hours per meeting.
2. KRWA shall retain a record of all persons attending the approved course of instruction.
3. Within 10 days of the conclusion of the courses of instruction, KRWA shall file with the Commission a sworn statement attesting that the approved courses of instruction were performed and, if any changes in the speakers or course curriculum occurred after KRWA's application, a description of those changes.
4. Within 10 days of the conclusion of the courses of instruction, KRWA shall file with the Commission copies of written materials given to commissioners during the conference.
