

**Regarding Case 2007-00134,**

I do not believe that Kentucky American Water's proposed pipeline from Pool 3 on the Kentucky River to Newtown Pike in Fayette County is the least cost solution to the water needs of Central Kentucky. Furthermore, I do not believe that a private for-profit company should benefit financially from the destruction of my property or my neighbor's property.

The citizens of Central Kentucky deserve a long-term solution to their water needs. Utilization of a larger water body, such as the Ohio River, piped along existing utility corridors makes the most sense economically, environmentally, and aesthetically.

Additional comments: MY FRONT YARD WILL BE DAMAGED BY THIS PROPOSAL. I DO NOT WANT TO LOSE TREES THAT HAVE TAKEN ME 25 YEARS TO GROW.
