

**ing Case 2007-00134,**

I do not believe that Kentucky American Water's proposed  
from Pool 3 on the Kentucky River to Newtown Pike in Fayette  
is the least cost solution to the water needs of Central Kentucky.  
more, I do not believe that a private for-profit company should  
financially from the destruction of my property or my neighbor's

The citizens of Central Kentucky deserve a long-term solution to  
ter needs. Utilization of a larger water body, such as the Ohio  
iped along existing utility corridors makes the most sense  
ically, environmentally, and aesthetically.
