

7-00134,

ve that Kentucky American Water's proposed
on the Kentucky River to Newtown Pike in Fayette
st solution to the water needs of Central Kentucky
believe that a private for-profit company should
m the destruction of my property or my neighbor's:

f Central Kentucky deserve a long-term solution to
ilization of a larger water body, such as the Ohio
isting utility corridors makes the most sense
mentally, and aesthetically.
