

ing Case 2007-00134,

I do not believe that Kentucky American Water's proposed
from Pool 3 on the Kentucky River to Newtown Pike in Fayette
is the least cost solution to the water needs of Central Kentucky.
more, I do not believe that a private for-profit company should
financially from the destruction of my property or my neighbor's

The citizens of Central Kentucky deserve a long-term solution to
water needs. Utilization of a larger water body, such as the Ohio
pipelined along existing utility corridors makes the most sense
economically, environmentally, and aesthetically.
