COMMISSION

hat Kentucky American Water's proposed
he Kentucky River to Newtown Pike in Fayette
olution to the water needs of Central Kentucky.
lieve that a private for-profit company should
he destruction of my property or my neighbor's

entral Kentucky deserve a long-term solution to
ation of a larger water body, such as the Ohio
ng utility corridors makes the most sense
entally, and aesthetically.
member of the Sierra Club.
- don't think this is the best
tion. I am most concerned about
to the Ohio ~~area~~ in the future.
