

RECEIVED
DEC 20 2007
PUBLIC UTILITIES
COMMISSION

ing Case 2007-00134,

do not believe that Kentucky American Water's proposed
from Pool 3 on the Kentucky River to Newtown Pike in Fayette
; the least cost solution to the water needs of Central Kentucky
ore, I do not believe that a private for-profit company should
nancially from the destruction of my property or my neighbor':

he citizens of Central Kentucky deserve a long-term solution to
er needs. Utilization of a larger water body, such as the Ohio
ped along existing utility corridors makes the most sense
ally, environmentally, and aesthetically.
