I do not believe that Kentucky American Water's proposed pipeline from Pool 3 on the Kentucky River to Newtown Pike in Fayette County is the least cost solution to the water needs of Central Kentucky. Furthermore, I do not believe that a private for-profit company should benefit financially from the destruction of my property or my neighbor's property.

The citizens of Central Kentucky deserve a long-term solution to their water needs. Utilization of a larger water body, such as the Ohio River, piped along existing utility corridors makes the most sense economically, environmentally, and aesthetically.

Lexington, KY 40504

MY CHOICE WOULD BE TO UTILIZE WATER FROM A LARGER WATER SOURCE SUCH AS THE OHIO RIVER WHICH SHOULD ACCOMMODATE CENTRAL KENTUCKY FOR MANY YEARS TO COME.
