

Case 2007-00134,

I do not believe that Kentucky American Water's proposed  
Pool 3 on the Kentucky River to Newtown Pike in Fayette  
is the least cost solution to the water needs of Central Kentucky.

I do not believe that a private for-profit company should  
be responsible for the destruction of my property or my neighbor's

property. Citizens of Central Kentucky deserve a long-term solution to  
their water needs. Utilization of a larger water body, such as the Ohio  
River, along existing utility corridors makes the most sense  
economically, environmentally, and aesthetically.

Comments: I do not want the water  
to come on my property on  
the Frankfort  
219 Jones Ln Frankfort Ky 40601
