

ling Case 2007-00134,

I do not believe that Kentucky American Water's proposed  
from Pool 3 on the Kentucky River to Newtown Pike in Fayette  
is the least cost solution to the water needs of Central Kentucky.  
more, I do not believe that a private for-profit company should  
financially from the destruction of my property or my neighbor's  
y.

The citizens of Central Kentucky deserve a long-term solution to  
water needs. Utilization of a larger water body, such as the Ohio  
pipelined along existing utility corridors makes the most sense  
economically, environmentally, and aesthetically.

nal comments: I have a Horse farm  
located WEST OF US 25 on Iron Works  
road. That alternative from Louisville  
Bobby G Vance  
153 BELVEDERE DRIVE  
GEORGETOWN KY 40324  
and that the best way to go  
which leaves the beautiful land as  
is.
