CASE NO.
2007-000004

MOTION FOR FULL INTERVENTION

Pursuant to 807 KAR 5:001, Section 3(8), T-Mobile USA, Inc., Powertel/Memphis, Inc. and T-Mobile Central LLC (hereinafter collectively "T-Mobile") submit this motion for full intervention in the above-captioned proceeding.

T-Mobile is a commercial mobile service provider as defined under 47 U.S.C. § 332(d). T-Mobile provides wireless voice and data services to customers in the Commonwealth of Kentucky pursuant to licenses issued by the Federal Communications Commission.

T-Mobile interconnects with Windstream Kentucky East and Windstream Kentucky West, Inc., (collectively "Windstream") pursuant to interconnection agreements filed with this Commission. These agreements provide for the exchange of land-to-mobile and mobile-to-land traffic. The scope of this docket and the ultimate resolution of issues may have a direct and

material impact on the ability of T-Mobile to exchange traffic throughout the state. As such, the resolution of any issues in this docket may affect the substantial interests of T-Mobile and its business operations in the Commonwealth of Kentucky which are not otherwise represented by any party. Thus, T-Mobile's interest in this proceeding satisfies the requirements of the Commission's regulation for full intervention. 807 KAR 5:001 Section 3(8)(b).

Filings, notices and other papers may be served on undersigned counsel for T-Mobile.

For the reasons stated above, T-Mobile respectfully requests that this Motion for Full Intervention be granted.
