Magistrate Steve Cruce

Magistrate Charles Ferguson

Tim Wiley
270-388-0002
270-792-3604

I feel I could contribute to the Lyon County Water Board with my experience with project management, personnel, construction knowledge, equipment and contract expertise. In my retirement I have found public service very rewarding.

WORK EXPERIENCE

1972-2001 Kentucky Utilities Green River Power Plant, Central City, Kentucky

2000-2001 - Assistant Superintendent/Maintenance

- Supervise mechanical, electrical and instrument groups
- Enforce all safety rules
- Approve all requisitions for materials, labor and equipment
- Supervise the maintenance scheduling department
- Personnel decisions
- Plant equipment modernization decisions

1984-2000 – Maintenance/Material Coordinator

- Oversees purchase of materials, parts and inventory
- Manages warehouse personnel, including interviews, evaluations and promotions. Also communicates company plans and policies
- Involved in identifying areas of improvement for plant efficiency and safety.
- Establishes priorities and timetables for plant maintenance.
- Review of work progression and evaluation on completion.
- CPM for major turbine outage.
- Coordinated various
 - Pump repairs
 - Outages
 - Boiler and maintenance repairs
- Represented company at turbine repair shops.
- October 1998 to present-MAXIMA (computerized maintenance management System) representative
- 1985-1989 Implementation of M.C.P. (maintenance scheduling program)

1978-1984 – Assisted the Assistant Superintendent

- Responsible for boiler inspection and repair.
- Responsible for purchasing all materials and parts.
- Involved with the purchasing department since 1978
- Responsible for directing outside contractors doing maintenance work.

Fall 1972-1978- Company Representative on Construction Projects

- Demineralization Building – drew plans, wrote specs, let bids. Awarded bids and oversaw construction.
- New ash pond and associated piping changes and additions. Also oversaw Construction, involved with bidding, award and final payment.
- Scrubber – liaison between company and contractors.
- Two electrostatic precipitators:
 - Liaison between Sgt. Lundy (engineering firm) and contractors.
 - Interpreted drawings
 - Handled design errors
 - Approved extra work and charges
 - Coordinated tie-in to existing equipment

May 1972-Fall 1972- General Laborer

January 1971 – May 1972-School teacher, Muhlenberg Co. Board of Education, Greenville, Kentucky

EDUCATION – Bachelor of Arts in History and Political Science
1970, Western Kentucky University

INTERESTS – Golf, Fishing and Home building projects

RETIREMENT- August 30, 2001

- Vice-President of the Board of Directors for the Eddyville Riverport and Industrial Development Authority Inc, member since December 2003
- Vice-President of the Eddyville-Kuttawa, Lyon County Joint Planning Commission, member since September 2004
