Executive Director:

I am responding to the CASE NO, 2007-00040, CONVENIENCE AND NECESSITY TO CONSTRUCT AND OPERATE A NEW FACILITY TO PROVIDE CELLULAR RADIO TELECOMMUNICATIONS SERVICE in rural service area #3 of the Commonwealth of Kentucky (Todd South Cell Site).

I strongly support this and this would provide the population with an alternate avenue in case your normal home phones are out of order, you would be able to use your Cell Phones for emergencies. I live on the border of the KY/TN line and my Mother is in Guthrie, KY and I have a Sister also in Elkton, KY and feel this facility would provide a great communication link to my family and the entire area.

Thank you for allowing me to submit **POSITIVE COMMENTS FOR THIS NEW FACILITY TO BE CONSTRUCTED IN OUR AREA.**

Thank you,

Debbie Davenport
