Re: Case No. 2007-00066  
Filing Deficiency

Dear Mr. Burford:

Thank you for your letter of February 15, 2007 pointing out the deficiency in Clark Energy's filing in case number 2007-00066.

Clark Energy's application does not provide for a proposed effective date, although it does note that the existing line of credit will expire on April 17, 2007. Enclosed is an exhibit we wish to attach to our application setting forth the interest paid by Clark Energy for the fiscal year ending 12-31-2006. We have enclosed ten (10) copies of this exhibit.

We trust with furnishing you this exhibit, Clark Energy will be in compliance with your filing requirements, however if you need any further information or documentation for Clark Energy, please contact me. Your assistance is greatly appreciated.

Very truly yours,

Robert Lee Rose
