Re: Case No. 2007-00134

Dear John:

In accordance with the Commission's Orders of October 24 and 26, please consider this Kentucky American Water's ("KAW") written request for a paper copy of the documents contained on the CD-ROM that Louisville Water Company ("LWC") filed and served on October 1, 2007. Please provide the paper copies in color when necessary to maintain the color that was indicated on the CD-ROM materials.

To date, KAW has served a paper copy of all its filings on both Ms. Dickens, LWC's in-house counsel, and your firm as external counsel. Therefore, KAW felt justified in asking LWC to provide two paper copies of the CD-ROM materials in its recent Motion to Compel, as KAW also has both internal and external counsel in this proceeding. Indeed, to date, LWC has also served paper copies on KAW's internal and external counsel. Accordingly, although the Commission has not ordered it, we ask that LWC provide two paper sets of the CD-ROM materials.

Very truly yours,

Stoll Keenon Ogden PLLC
