Subject: KAWC Water Supply
Auto forwarded by a Rule

Dear Sir or Madam,

Central Kentucky deserves a water supply that adequately meets its needs, now and for many years to come. Please don't approve a plan that requires another "fix" in ten or twenty years. I hope you approve a plan that makes available the virtually unlimited supply of Ohio River water, regardless of who owns any pipeline or who treats the water.

Thank you,

Jim Mueller

PS. Be very thankful that what is happening in Atlanta isn't happening here.
