PSC Case No. 2007-00134

Dear Sirs:

The Public Service Commission has received Kentucky Power Company's motion filed January 9, 2008 requesting to protect as confidential, certain information in its Response to the Commission's Post-Hearing Data Request No. 7. This information is identified in the motion as all documents relating to bids for construction of facilities identified in its application.

A review of the information has determined that it is entitled to the protection requested on the grounds relied upon in the motion, and it will be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,
