COMMENTS:

To Whom it may Concern:

As a resident of Franklin County, I would like to say, concerning the 42 inch water pipeline going through Frankfort. I would like for you to consider the cost, not only now but for years to come. Also what it would do for the environment.

If this pipeline comes the way KAW says it will affect my home.

Please take all these things in consideration. To me, I think Louisville Water Co. would be the best way to go.

Thank you
God Bless
