### COMMENTS:

I am opposed to the proposed pipeline route  
advocated by Ky Am Water Co.

Advantages of this route would all accrue to  
Ky Amer corporate owners.

Disadvantages would befall the public and  
the ratepayers in the form of unnecessary  
damage to a beautiful and sensitive environment  
and higher water rates! Where but the PSC  
can an ordinary citizen go to ask that such  
concerns be fully considered before decisions  
are made which result in irreparable damage  
which all of us will foot the final bill for.

Ky Am. Corporate heads and large shareholders  
seek to gain a lot from their voracious plan,  
at our expense. Please don't allow yet another  
instance of capitalism gone amuck.

Thank you,

Elizabeth Cupp
