To Whom It May Concern:

My name is Jeffrey A. Keith, and I am a proud, native Kentuckian who is concerned about PSC Case # 2007-00134. I love the countryside of Kentucky. Its natural beauty nurtures the Bluegrass State's invaluable and often under appreciated rural culture. To dig a pipeline through one of Kentucky's most cherished and peaceful landscapes, instead of routing this pipeline along the existent and already developed I-64 corridor, strikes me as a poor policy with dire consequences. Please reject Case # 2007-00134, and please look into alternative and more reasonable routes for this pipeline project.

By the way, I am a registered voter.

Thank you for reading my comment,

Jeffrey A. Keith
