COMMISSION

To Public Service Commission

I live in Owen County on Kay's Branch Rd. I have lived in Owen and Franklin Countys much of my life. I'm 60 years old.

Many times on dry years the Kentucky River comes to, it not a dead stop then close to it.

I was down @ Lock 3 near Monterey last week. The water was coming over but not much of it. I can't see that it would spare Central Ky in a drought year.

I Ask you to please select the Louisville Water Company. They have an unlimited source of water and only need to pipe it to KAW system. It makes the only sense.
