Case: 2007-00134

COMMENTS: _____

I am opposed to the Ky Americans plan to
build the water pipeline as they propose.

It will destroy the great environment public & private
for no reason.

The Louisville water pipeline makes a whole lot more
sense economically & environmentally.

Please do not vote to destroy what ~~the state~~
cannot be built back especially when there is
a better alternative.

Vote NO against Ky American water pipeline.
