Dear Public Service Commission:

Thank you for addressing the water supply issue in Central Kentucky, as per case 2007-00134. In Scott County, we have a long history of supporting the reservoir as a solution to our local water problems and this is still our preferred option.

If the Public Service Commission is considering a pipeline option, the undersigned members of the Scott Fiscal Court would strongly encourage the Commission to fully and completely explore the impact that this type of alternative to the reservoir may have on the citizens of Scott County, Kentucky prior to approval of same.

Very truly yours,
