Re: Case No. 2007- 00145

Dear Ms. O'Donnell:

BellSouth is providing advance notice to the Kentucky Public Service Commission (PSC) of BellSouth's intent to disconnect Nationsline for non-payment.¹ BellSouth's records indicate that Nationsline is delinquent in payment of its bills to BellSouth.

Attempts to collect past due amounts from Nationsline have been unsuccessful. BellSouth made numerous written notifications to Nationsline informing them of BellSouth's intent to suspend or terminate services consistent with the terms and conditions of the Interconnection Agreement between Nationsline and BellSouth. As of today, BellSouth has received no payment from Nationsline and we seek to begin discontinuance of services immediately. Disconnection of Nationsline's services will affect fewer than 75 Kentucky customers (according to the latest information filed by Nationsline with the Commission).

Under terms of their Resale Agreement, Nationsline is solely responsible for notifying its end users of the proposed service disconnection. BellSouth is copying Nationsline to remind them of their obligations to notify their end users of this situation regarding pending disconnection of services.

Should the Commission determine the need to invoke BellSouth's Emergency Service Continuity Tariff, BellSouth will take steps to notify the affected end users and inform them that they may continue to receive telecommunications services through The Emergency Services Continuity Plan for a minimum of fourteen (14) days and that the end user must transition to a new service provider.

¹ This notice is filed pursuant to the Kentucky PSC's May 20, 2003 order in KY PSC Case No. 2002-0310.
