RE: Case No JUC 7-20162

Ms. O'Donnell,

I am writing because I sent a letter of opposition to ~~the~~ NCTC'S Rate increase applications, and I received a letter from NCTC'S Attorneys Dinsmore & Shohl LLP saying they sent you a letter stating I wasn't a North Central customer and that they don't provide service in the City of Scottsville, This is incorrect I can send proof of both, would you like ~~me~~ a copy of my bill, my ticket to the annual members meeting, or my NCTC phone # 270-239-7809, Please be advised of this and I can send the copies of these ("evidentiary") documents if anyone would like.

Sincerely,
Stephen Bratcher
