Federal Communications Commission WC Docket No. 08-23

Dear Ms. O'Donnell:

In its Supplemental Submission of February 8, 2008, AT&T Kentucky expressed its expectation that an expedited resolution by the Federal Communications Commission ("FCC") of the issues presented in AT&T's FCC Petition may render unnecessary any further proceedings in this docket.¹

In further support of AT&T Kentucky's contention that resolution of this matter should be effectuated by the FCC, on February 13, 2008, AT&T Kentucky submitted as supplemental authority the Order that the FCC released on February 7, 2008, in *In Re Ameritech Operating Companies Tariff FCC No. 2 et al.*, Transmittal No. 1666. In the Order the FCC made clear that it would enforce the merger commitments contained in the *AT&T/BellSouth Merger Order* should it receive complaints that AT&T Kentucky is not complying with its commitments (Order at ¶ 8).

Recent activity in FCC WC Docket No. 08-23, opened to address AT&T's petition for expedited declaratory ruling, may further demonstrate the FCC's willingness to promptly resolve the issues presented in AT&T's Petition. Specifically, on February 14, 2008 the FCC released a Public Notice inviting interested parties to comment on the Petition by no later than February 25, 2008 with reply comments due on or before

¹ The FCC opened WC Docket No. 08-23 to address AT&T's petition.

March 3, 2008.² The particularly short comment cycle established by the Public Notice may indicate the FCC's intent to promptly resolve the matter, and may thereby render further proceedings in this docket moot.

Therefore, AT&T Kentucky reiterates its request that the Commission should allow the FCC to decide the potentially dispositive questions AT&T has asked it to decide before conducting any further proceedings in this docket.

The original and ten (10) copies of this letter are enclosed for filing. Thank you for your assistance in this matter.

Sincerely,

Mary K. Keyer
