Petition for Confidential Protection

Dear Mr. Hutchinson:

The Commission has received the petition of Atmos filed June 28, 2007, to protect as confidential information pertaining to projected gas prices and items in the quarterly Correction Factor. A review of the information has determined that it is entitled to the protection requested on the grounds relied upon in the petition and it shall be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

A handwritten signature in black ink, appearing to read "Beth O'Donnell", written over a large, circular scribble.
