**KACA'S COMMENTS**

---

Come now the Kentucky Association for Community Action, Inc. (KACA), by counsel, and hereby tenders its comments in this matter.

KACA is a private, non-profit organization which represents the interests of the clients of the 23 community action agencies in Kentucky. KACA has many years experience in operating energy assistance programs on behalf of the low-income ratepayers in Kentucky, including the federal LIHEAP program in Kentucky.

KACA hereby incorporates herein, by reference thereto, the original Comments filed on behalf of the Community Action Council for Lexington-Fayette, Bourbon, Harrison and Nicholas Counties, Inc. (CAC) in this action, as well as the supplemental comments filed on behalf of CAC in this action. In conjunction with CAC, KACA submits that the low income weatherization program should be operated by the Department of Energy weatherization contractors in order to promote maximum coordination and efficiency in the delivery of

weatherization programs directed to low income ratepayers, for all of the reasons set forth in the Comments and Supplemental Comments filed by CAC.
